

When you first install the cartridge, you will see the message, "used or counterfeit cartridges".

Click "OK".

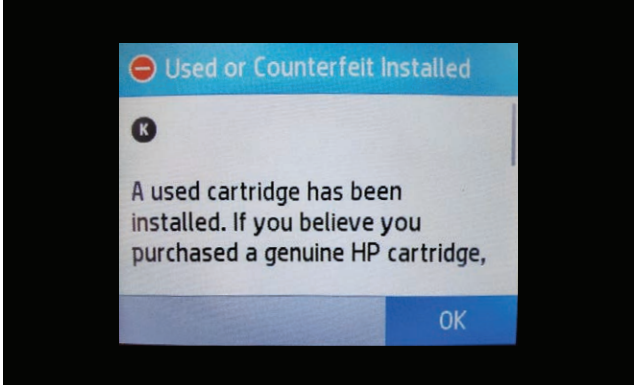

The cartridge is now installed and ready to use. A "No Toner" or "Very Low" message will be present.

Important to Note:

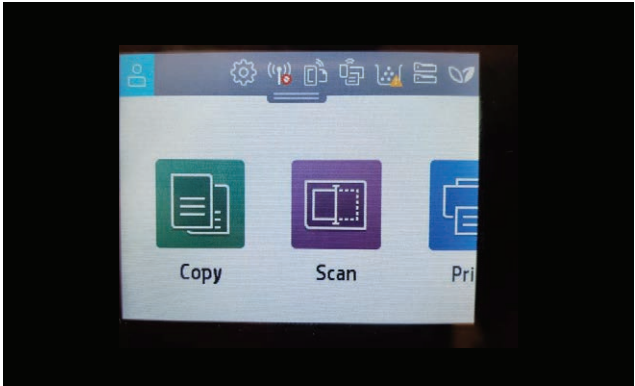

- You will not be able to print a supplies status page or obtain any supplies reporting.
- End-of-life will have to be established by faded print.

HP M428 (CF258A/X)

Click "OK".

- Toner warning will stay on.
- Can print SSP, but will just state used.
- End of Life will have to be established by fade.
